

# How To Make an Aloha Shirt

Materials:  
Aloha shirt template  
Crayons or markers

Step 1: Fold paper along the dotted vertical lines toward the center of your paper.

Step 2: Fold the sleeves of your shirt out along the solid black line.

Step 3: Turn your paper so that you may see the front of the shirt. Fold up the bottom of the paper first along the dotted line, and then again along the solid black line.

Step 4: Turn your paper again so that you may see the back of your shirt. Fold the bottom corners in along the solid black lines.

Step 5: Fold your paper along the center horizontal dotted line and tuck the top of your shirt under the collar.

Step 6: Use crayons or markers to decorate your Aloha shirt with bright colors, flowers or other Hawaiian inspired images!
